**www.foldsofhonor.org**

As of January 1st, 2012, over 1 million dependents have been adversely affected by multiple deployments to Iraq and Afghanistan. More than 87% of the dependents affected by the recent wars do not qualify for federal scholarship assistance.

To date, the Folds of Honor has provided over 16,000 scholarships totaling \$60,000,000 to recipients in all 50 states. At our state level, less than 3% of Alabama military families have directly benefited from their support. **We can do better than that!** That is why we established the Patriot Shootout of Alabama benefiting the Folds of Honor with our long-range objective of providing every Alabama military spouse and child the opportunity to pursue a higher education.

## **OUR PLEDGE**
